

Land Stewards

We need you!

If you are interested in working as a land steward, environmental monitor, cultural monitor, we welcome you.

We also need class 5 drivers who are willing to drive land stewards to and from work.

There are packages available at reception for you to fill out, in McLeod Lake and in PG. Please bring all your tickets so that they can copy them and scan them to me. You will need H2S Alive, Occupational First Aid Level 1 and WHMIS for most jobs. I can provide letters for course funding once you have signed up.

Any questions, my contact information is below. You can also call me at 250 961-7596 or 250 401-1565 after hours.

Mussi mussi,

Arlene Solonas
