**RE: Distribution**

Dear Members

It is the intent of Chief and Council to provide McLeod Lake Indian Band members in common with a dividend that is generated from profits and royalties that the Band receives.

We do not take funds destined for the Treaty 8 Trust nor do we borrow funds to provide distributions. To do so would place the Band in financial jeopardy. Over the past few months, our revenues have been delayed which has made it impossible to provide members with a commitment for distribution over the coming year.

However, we are able to provide members with a dividend in the amount of \$1,250 each for each member 19 years of age or older for the month of January 2019. This distribution expenditure will cost the Band some \$465,000.

Funds for future distributions will be determined as new revenues surplus to the operational needs of the Band become available.

For this current dividend, deductions will be made for those members who have outstanding arrears with the Band.

Yours truly,

*Bob Inkepen*

**RE: Distribution**

Dear Members

It is with regret that I must advise that we will no longer be able to hand out future distribution cheques from our office at the Prince George Native Friendship Centre. This is because the disruption caused in the building by some members is too great.

Accordingly, unless we can identify another location, future distribution cheques will be mailed to members or be available for pick-up at the Band Administration Office in McLeod Lake.

For those that will be receiving future distribution by mail, please ensure that we have your proper mailing address.

Thank you.

Yours truly,

  
Bob Inkpen  
Band Administrator
