Re: Elementary and Secondary student funding for school year 2020-2021

Enclosed is an application is for students who are registered eligible members of the McLeod Lake Indian Band. If the student is not a member or not eligible under our current Membership Code, the application will be denied for that student. If your child(ren) are in the care of someone else other than yourself (e.g. foster care, other relatives) please put the name, address and phone number of where your children can be contacted. The Band may have dollars available for school fees, tutoring assistance, bus passes, etc. All requests must be received in writing and are subject to budget availability. Please fill out and return to the department to access education program which includes a school supply start up, attendance and effort incentives.

I will need cooperation and an agreement from the parents to have a copy of the student's report card, and monthly attendance records from the school. Please note that is it the parent's responsibility to ensure that their child (ren) attendance/reports are faxed here on a regular basis. Not the MLIB Education Department nor is it the school's either.

*Please keep in mind - all report cards and/or attendance MUST be received before Friday July 16, 2021, this is the cut off for 2020-2021.
No late submissions will be accepted after this!!!!!!*

P.S Most schools close for the summer so make sure you pick up otherwise, you will have to wait till they re-open. This enables us to ready ourselves for the Annual General Assembly 2021 to honour our best students throughout the school year and to start prepping for 2021/2022 in the month of August 2021.

If you have any further questions and/or concerns, please feel free to contact myself the office at the above numbers or by email jware@mllib.ca. I would be more than happy to discuss our programs and eligibility. For Band updates, check out www.mllib.ca or on Facebook at www.facebook.com/PeopleoftheRocks.

Sincerely,

Jodie Ware
Education Director
