

Senior Analyst Environment Projects Calgary or Edmonton

Do you have technical expertise and understanding of the environmental issues and how they interrelate with Indigenous communities?! Are you knowledgeable in the area of Indigenous culture, environmental permitting requirements, as well as of pipeline and facility construction? If the answer is yes to these questions, then look no further! We work on complex issues and lead third parties in support of the business objectives.

WHAT YOU WILL DO:

- Accountable for the environmental planning process as it applies to Indigenous lands and concerns. This can include management of third-party vendors who prepare environmental assessments reports, as well as public information sessions, the acquisition of permits, and cost estimating.
- Work closely with the Enbridge Community and Indigenous Engagement teams on Indigenous engagement and outreach.
- Coordinate the government agency and Indigenous community review of environmental permits and assessments.
- Work with Construction to ensure work is completed in compliance with regulatory approvals and Indigenous commitments.
- Lead environmental aspect of multiple projects simultaneously, including management of consultants and adherence to schedule and budget.
- Establish working relationships with government agencies and agency personnel.

WHO YOU ARE:

- A Technical Diploma or Degree in environment, sustainability, archaeology, or related field.
- At least 2 years of environmental experience in pipeline, industry, or upstream oil and gas sectors.
- An inclusive professional that identifies as Indigenous (First Nations, Metis, Inuit).
- An understanding of environmental assessment methodologies and permitting.
- Familiarity with the best management practices for environmental protection.
- Subject matter expertise in any of the following fields (e.g. biology, soils science, geology, environmental planning, archaeology, sustainability).
- Excellent digital literacy using Microsoft Office products.
- Strong written and communication skills focused internally and externally at all levels.
- The ability to work both independently and within teams.
- High level integrity and dedication to Enbridge's values.

WORKING CONDITIONS

- Typical Office Environment
- 30% Travel required

Diversity and inclusion are important to us. Enbridge is an Equal Opportunity and Affirmative Action Employer. We are committed to providing employment opportunities to all qualified individuals, without regard to age, race, color, national or ethnic origin, religion, sex, sexual orientation, gender identity or expression, marital status, family status, veteran status, Indigenous/Native American status, or disability. Applicants with disabilities can request accessible formats, communication supports, or other accessibility assistance by contacting careers@enbridge.com.

INFORMATION FOR APPLICANTS:

- Applications can be submitted via our online recruiting system only.

- We appreciate your interest in working with us; however, only those applicants selected for interviews will be contacted.
- Final candidates for this position may be required to undergo a security screening, including a criminal records check.
