

Paramedic (One-Year Fixed Term)

Reference No.	2021-1934
Date Posted	11/4/2021
Location	Mount Milligan, BC, Canada
Position Type	Fixed Term

POSITION OVERVIEW:

The Paramedic is the sites healthcare professional responsible for providing pre-hospital assessment and medical care to people with acute illness or injuries. This position also plays a critical role in the site emergency preparedness and response plan and will work very closely with the mine site emergency response coordinator and mine rescue members. This position is a one-year fixed term contract.

RESPONSIBILITIES:

- Develop and maintain the first aid services plan on site for Mount
- Maintain the onsite medical facility, its equipment, and inventories to industry standards.
- This includes cleaning, decontaminating, and inspecting emergency vehicles and equipment to maintain a constant state of emergency preparedness
- Provide routine medical care and advanced life support services to the mine site
- Respond to emergency calls for medical assistance at accidents and emergencies
- On call during the night for emergencies
- Assure compliance with company policies and procedures
- Administer drug and alcohol screening as per company policy
- Provide monthly reports and statistics concerning site injuries and incidents
- Perform industrial hygiene sampling program including medical surveillance testing
- Participate with Emergency Response Team and emergency response drills
- Liaising with members of emergency services, such as the police, coroner, Mine Rescue personnel, and other ambulance services to ensure the appropriate level of response
- Manning an ambulance or other rapid response vehicle
- Preparing and reporting the patient's history, condition, and treatment to relevant hospital staff
- Other Health and Safety duties as required

QUALIFICATIONS:

- Primary Care Paramedic licenced in British Columbia plus a minimum of 4 years experience in heavy industry
- Occupational First Aid level III or equivalent.
- Class 4 Drivers License in British Columbia
- CPR-C Certificate
- Drug and alcohol collection training would be an asset
- Strong written and oral communications skills
- Friendly and outgoing with strong interpersonal skills
- Project and organization skills
- Conflict Management skills
- Leadership skills that enlist others to keep working towards the vision of “Zero Incidents & Accidents”
- Ability & willingness to learn new skills & concepts

ADDITIONAL INFORMATION:

- The role is located at the Mount Milligan Mine, which is approximately 155 kilometers northwest of Prince George, British Columbia
- Bus transportation to and from site is provided free of charge from several locations within the region. Employees accessing the site from outside the region are eligible to receive a tax-free travel allowance commensurate with the distance they are required to travel

- Candidates must be able to maintain high levels of performance for extended shifts
- Mount Milligan promotes a drug and alcohol-free workplace and has adopted a zero-tolerance policy with respect to alcohol or unauthorized drugs on site
- An industry competitive salary that is commensurate with experiences, qualifications, and skills
- Tax-free travel allowance for those living outside the region
- Comfortable camp accommodations, each room having a private washroom, TV and wifi. The camp is complete with a gymnasium and other recreational activities
- Extended health, dental and travel benefits, including life insurance
- Employee and family assistance program

Deadline for Applications:	September 24, 2021
