### **Re: MLIB Membership Code Ratification Information Sessions**

It has been nearly fifteen years since the Membership Code has been amended and many Members have expressed that it needs to be updated. The Membership Code Committee has been working diligently to ensure that this happens in 2019.

Part of my mandate as your Chief was promising to ensure that all of our Codes and Policies are updated and consistent to better reflect MLIB as a united Nation and organization. I also believe that openness and transparency is the key to ensuring that all of our voices are heard and reflected in our Codes.

Engagement is necessary in order for this to happen, which is why I would like to have preliminary engagement sessions regarding the Membership Code at our Quarterly Meetings in McLeod Lake, Prince George, Calgary and Vancouver in December.

There will be representatives from the Membership Code Committee at these meetings who will be conducting engagement sessions to better understand what you would like to see in the updated Membership Code. This will be a great opportunity for Members not only to understand the importance of this Code, but how it reflects our Membership and our Nation.

I hope you are all able to attend the Quarterly Meetings, however if you are unable and wish to receive more information regarding the Membership Code ratification, information and updates will be posted on the MLIB website. The Membership Code Committee will also be holding further engagement sessions in the New Year and will be contacting the Membership when dates are confirmed.

Sincerely,

A handwritten signature in blue ink, appearing to read "Harley Chingee".
