Needs Assessment Survey

Chief Harley Chingee has expressed an interest in buying a passenger bus for MLIB. TCDC has been asked to conduct a feasibility study on buying a bus for the community of MLIB and providing service between Mackenzie, Prince George and McLeod Lake Reserve, as well as for use on Elder Trips and other community event trips. This survey to community members will help to determine the needs for this service. Band Members can contact fill out the survey at the Satellite Office in Prince George, at the Band Office Administration Building, or make an appointment with Deborah Prince, or Ken Solonas in McLeod Lake. If you would like to complete a survey over the phone, please call Deborah Prince or Ken Solonas at the Band Office. If you would like a survey emailed to you, please send a request to deprince@mllib.ca and I will send you a form right away. Thank you all for your participation.
