

## Advantage Energy Ltd. Indigenous Education Scholarship

Advantage Energy Ltd. (Advantage) is pleased to support Indigenous students who are members of communities in close proximity to Advantage's operations in the provinces of Alberta and British Columbia. Advantage aims to provide students with funding to pursue post-secondary education opportunities to benefit both the students and the provinces energy industries. Multiple one-time annual awards of up to \$1,500 will be awarded and open to students from any of the Indigenous communities in which Advantage operates.

Annual scholarships will be available to all Indigenous students, and we strongly encourage everyone to apply. While all applications will be considered, additional consideration may be given to students pursuing studies in engineering, operations, geosciences, environmental studies, and trades related to the energy industry. Applications for Advantage's Indigenous Education Scholarship program will be accepted between March 1st to July 15th of each year and scholarships will be announced prior to August 15th.

To apply for the Scholarship Award, please email [scholarship@advantageog.com](mailto:scholarship@advantageog.com) for an application form and further instructions.

Sincerely,

Advantage Energy Ltd.
