## **Job Posting Community Health Nurse (Part-time, 3-4 days a week, Mon-Fri, 8 hours a day)**

McLeod Lake Indian Band (MLIB) is seeking a Community Health Nurse to join their Health Team in McLeod Lake, B.C. The Community Health Nurse will support the following programs: Communicable Disease Control, Maternal/Child health, Home and Community Care; while providing public health nursing to the Community. Come work with us at this very exciting time as we are building a new Health Centre that will open in July 2024. The vision of MLIB Health is “Healthy People, Connected Families, Vibrant Community.” An employer-paid daily commuter from Prince George or Mackenzie B.C. is available for transportation.

### **Key Responsibilities:**

- Provide nursing and public health services to clients in a clinical setting, in the community or in the client's home
- Provide information reviews and advice to clients and family members regarding treatment and care procedures
- Work with Community members to promote healthy living and the restoration of health through the prevention of disease, community awareness programming, counselling and direct nursing care
- Initiate treatment including health care management and therapeutic interventions in accordance with nursing statutory and regulatory standards, limits, and conditions, and employer policies and procedures
- Provide client assessments, post-surgical care, wound care, palliative care, chronic disease management, assist with mental health and substance disorders, and medication administration
- Develop and implement a plan of care in cooperation with client/family/caregivers and relevant professionals, to achieve desired care needs and outcomes
- Develop or assist in the development and implementation of health care clinics, client groups, workshops, conferences, meetings, etc.
- Maintain reporting and record systems in accordance with accepted standards to ensure legal and data requirements are met
- Provide confidential care services and cultural safety in a respectful and responsive manner
- Advocates on behalf of the client in external healthcare settings
- Other duties as assigned by the supervisor.

## Education and Experience

- Registered Nurse (RN) License preferred with a minimum 2-3 years of experience
- Current registration with the British Columbia College of Nurses and Midwives
- Current CPR Course
- Valid Class 5 Driver's license
- Experience providing culturally sensitive and supportive client-focused nursing care
- Knowledgeable regarding Indigenous health challenges and mental and substance disorders
- Experience maintaining reports, documents, client records and health planning
- Ability to work without direct supervision in a variety of clinical settings

The employer will consider a combination of skills and experience in community health nursing and work experience for this position. To protect the health and safety of employees and clients in a healthcare setting, candidates applying for this position will need to provide confirmation that they are COVID-19 vaccinated and up to date, as a condition of employment.

**Salary negotiable based on experience.**

*We thank all applicants for their interest in MLIB however, only those applicants selected for further consideration will be contacted.*
