Due to reasons beyond our control, the scheduled Zoom meeting for MLib membership to discuss the Environmental Assessment Law has been changed to Sunday, February 12th at 3pm.

As members of McLeod Lake Indian Band, our land is important to us. It is beautiful and vibrant with many natural resources. It is also the natural habitat of many forms of wildlife.

Many companies hope to conduct business on our land, which can benefit our membership in many ways.

We need to protect our land. If you want to be involved in creating our Environmental Assessment Law, then please attend this meeting.

This meeting will only be held on zoom to avoid the spread of respiratory illness that has been circulating.

Please contact our Land Assistant, Agnes Mastin at landassistant@milib.ca, if this represents a difficulty for you.
