REGARDING: VEHICLE SALVAGING/RECYCLING

Dear Community Members

The McLeod Lake Indian Band land management department would like to help clean up the yards, and have been in contact with a towing company from Mackenzie. The McLeod Lake Indian Band can recycle or salvage these vehicles **at no charge to you if completed by: May 20th, 2024.** For all vehicles removed that you are the registered owner of, **you will receive an incentive of \$200 (via cheque the following week).**

Please fill out this form, and bring it into our office **by May 10th, 2022,** so that we can get started on cleaning up our homeland. If you need another form or you have any questions, please call me direct at (250) 750-6860 or e-mail me at landassistant@milib.ca.

Yours truly,

Yolande Ellis
Land Assistant
YE\

If you are interested, we need the following information on each vehicle:

YEAR: _____

MAKE: _____
