

Dinner and a Meeting

with Nathan and Eran brought to you by:

Location: Prince George Treasure Cove Hotel
Date: Tuesday March 07
Time: 4:30 pm to 5:30 pm, doors open at 4:00 pm

Location: McLeod Lake Indian Band gymnasium
Date: Wednesday March 08
Time: 4:30 pm to 5:30 pm, doors open at 4:00 pm

Located at Stewart Creek along the Stewart Lake Forest Service Road, this water monitoring station is being overseen by the Land Stewardship department. The data is being shared with Geoscience BC and Matrix Solutions.

Join us for dinner to discuss creating a Collaborative Water Monitoring Program and share your thoughts on history of flow levels for different waters in our Traditional Territory!

Prize draws and a presentation (and dinner!) Mussi
