Naming of the Site C Dam Contest – MLIB Community

Hi MLIB Community Members:

Since the Site C Project is nearing completion, the dam and reservoir will need an official name. BC Hydro (BCH) has reached out to all 13 First Nations within the project site area, including MLIB. Each community will submit their suggested names to BCH Cultural Committee to decide on the winning submission.

For our participation, we thought we would post this contest to get some ideas from band members. If you come up with any suggested names, you can send them to our office. Once we've received your ideas, we will ask MLIB Elders to review the suggestions and choose 2-3 final names. We will then ask MLIB Elders to translate the final choices into our Tsk'Khene language. Finally, we will send our final choices to BCH Cultural Committee for their review.

FYI - Our elders have already made one suggestion, which is "**Peace River Dam – translated to Tse'tuscho Uih**". If you like this suggestion, please let us know too.

Please send your name ideas to Maggie McDonald at bchliaison@mliib.ca by August 18, 2023.
